Cosmetic Enterprises

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Unblemish - Acne Medicated Lotion

Active Ingredients

Benzoyl Peroxide 2.5%

Warnings: For external use only. When using this product avoid unnecessary sun exposure and use sunscreen. If going outside, use a sunscreen; allow UNBLEMISH 4 TREAT to dry, then follow directions in the sunscreen labeling. If irritation or sensitivity develops, discontinue use of both products and consult a doctor. Using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor. Do not get into eyes. If excessive skin irritation develops or increase, discontinue use and consult a doctor.

Purpose: For the treatment and prevention of acne blemishes and breakouts.
