Homeopathic dilution, C12

Homeopathic dilution, C30

Homeopathic dilution, C200

To reduce severity and duration of cold and flu symptoms including nasal congestion, cough, and fever

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away

- Shortens the durations of cold and flu symptoms
- Offers temporary relief of cold and flu symptoms including nasal congestion, cough and fever

Warnings

- **Keep out reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.
- **Ask a doctor or pharmacist before use if you are** pregnant or breastfeeding.
- **Stop use and ask a doctor if** symptoms persist more than 4 days
- Children under 18 years or age should consider Cold-Fix for Children

For Treatment

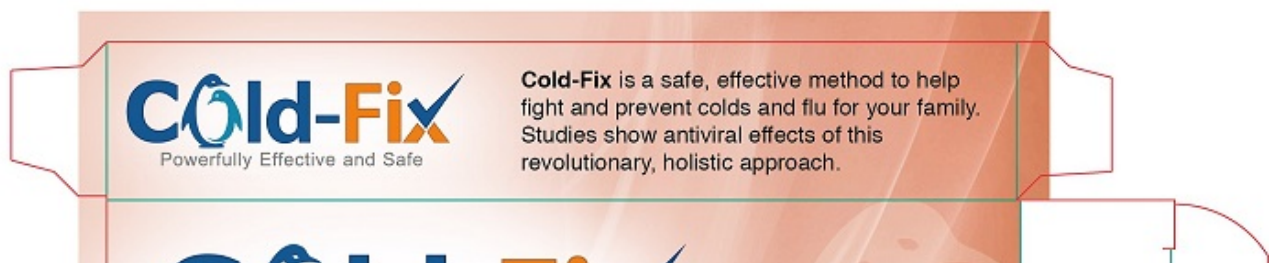

- **On day 1 of treatment:** within the first 2 hours - take a tablet every 30 minutes (a total of 5 tablets).
- **Next 3 doses should be taken** at equal intervals (a total of 8 administrations in the first day)
- **Should be taken 3 times daily** approximately every 8 hours at equal intervals over days 2 to 7. The overall duration of treatment is 5 to 7 days.
- **The tablet should be held** in the mouth until completely dissolved. Do not take with a meal. No other restrictions apply.

For prophylaxis

- Should be taken once daily for 1 to 3 months around cold and flu season

Lactose monohydrate, Magnesium Stearate, Microcrystalline cellulose

- Cold-Fix contains lactose monohydrate. Individuals who are lactose-intolerant should take precaution when taking this product.
- Store in original package below 30°C or 86°F.
- Do not use if blister pack is torn or broken
