Uses
for the temporary relief of redness and itching of the eye(s) due to:
- ragweed
- pollen
- grass
- animal dander and hair

Warnings
For external use only

Do not use
- if you are sensitive to any ingredient in this product
- if this solution changes color or becomes cloudy

Ask a doctor before use if you have
- narrow angle glaucoma
- heart disease
- high blood pressure
- trouble urinating

When using this product
- pupils may become enlarged temporarily causing light sensitivity
- overuse may cause more eye redness
- remove contact lenses before using
- to avoid contamination, do not touch tip of container to any surface
- replace cap after each use

Stop use and ask a doctor if
- you feel eye pain
- changes in vision occur
- redness or irritation of the eye(s) gets worse or lasts more than 72 hours
Keep out of the reach of children.
If swallowed, get medical help or contact a Poison Control Center right away. Accidental swallowing by infants and children may lead to coma and marked reduction in body temperature.

Directions
- adults and children 6 years and over: put 1 or 2 drops in the affected eye(s) up to 4 times daily
- children under 6 years: ask a doctor

Other information
- store at 20°-25°C (68°-77°F)
- protect from light

Inactive ingredients
benzalkonium chloride, boric acid, edetate disodium, purified water, sodium borate, sodium chloride, sodium hydroxide and/or hydrochloric acid
