THE Killer

boric acid suppositories for quick relief of yeast infections and by symptoms

14 VAGINAL SUPPOSITORIES / 600 mg EACH

Suffer from yeast infections or BV? Suffer no more. The Killer is your new go-to when infection or irritation hits down there. Made of medical-grade boric acid from a mineral found in sea water, these vaginal suppositories work FAST to bring your vaginal pH back to its normal state, relieving symptoms of a yeast or bv infection while they work their magic. Made in our FDA-inspected facility and previously only available with a prescription, The Killer is safe for your most delicate areas. We love to use them for spot treatments when things feel a little "off" down there in addition to full courses of treatment.
