**Made in USA with globally sourced materials:** Antiseptic Wipes, Butterfly Closures, First Aid Guide, Triple Antibiotic Ointment, Wooden Finger Splints.

**Made in Philippines:** Adhesive Bandages

**Made in China:** Alcohol Prep Pads, Gauze Pads, Instant Cold Pack, Metal Tweezers, Paper Tape.

**Made in Mexico:** Carrying Case

**Alcohol Prep Pads & Triple Antibiotic Ointment**

**Caution:** This product contains non-prescription drug products that have expiration dates. Please check before use. Keep these and all drug products out of reach of children. Tamper evident sealed packets; do not use any opened or torn packets.

**Adhesive Bandages:** For use on minor cuts, scrapes, & burns.

**Directions:** For optimal results, apply bandage to clean, dry skin. Change the dressing daily, when wet, or more often if needed. Single use.

**Warning:** For medical emergencies, seek professional help.

**Butterfly Closures:**For use on minor cuts, scrapes, & burns.

**Directions:**Remove backing tabs from Butterfly Closure. Apply adhesive sections on either side of the wound. Be sure to center the nonstick area over the wound. Change dressing as directed by your health care professional.

**Warning:**For medical emergencies, seek professional help.

**Gauze Pads:**For cleaning wounds.

**Directions:**Gently clean the wound with mild soap and water using the gauze pad and carefully dry the affected area. Discard the used pad.

**Warning:**In case of deep puncture wounds or serious burns, consult a physician.

**Paper Tape:**For securing wound covers.

**Directions:**Use gauze to gently clean in and around injured area with mild soap and water. Dry injured area and apply medication if necessary. Cover wound with non-stick pad or dressing. Secure the dressing with paper tape to help keep out dirt and contaminants.

**Warning:**In case of deep puncture wounds or serious burns, consult a physician.

Kit contents are not made with natural rubber latex.

Adhesive Bandages, Butterfly Closures, and Gauze Pads are sterile unless wrapper is opened or damaged.

Gauze pads are rayon-polyester blend.

Actual appearance of contents may vary depending on availability. We reserve the right to add, substitute, or replace items at our own discretion. At no time will the integrity of the items be less than that which is indicated on the packaging.

See inside of clear plastic case for complete drug facts & warnings for Alcohol Prep Pad, Triple Antibiotic Ointment and Antiseptic Wipes.
