KidCrème

Mineral Broad Spectrum SPF 40 Sunscreen UVA-UVB Sunscreen

Drug Facts

<i>Active Ingredients</i>	<i>Purpose</i>
Titanium Dioxide 2%	Sunscreen
Zinc Oxide 17%	Sunscreen

Uses

- Helps prevent sunburn
- If used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

For external use only

Do not use on damaged or broken skin

Stop use and ask a doctor if rash occurs

When using this product keep out of eyes. Rinse with water to remove.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally 15 minutes before sun exposure
- Reapply:
 - After 80 minutes of swimming or sweating
 - Immediately after towel drying
 - At least every 2 hours
- Children under 6 months: Ask a doctor
- Sun Protection Measures: Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease the risk, regularly use a sunscreen with Broad Spectrum SPF of 15 or higher and other sun protection measures including:
 - Limit time in the sun, especially from 10a.m.-2p.m.
 - Wear long-sleeved shirts, pants, hats and sunglasses

Other Information

Shake well. Rub in well.

- Protect the product in this container from excessive heat and direct sunlight
- May stain some fabrics

- You may report serious adverse reactions to: Report Reaction, LLC. PO Box 22, Plainsboro, NJ 08536-0222

MDSolarSciences™

MDSolarSciences™

MDSolarSciences is:

- Dedicated to the prevention of skin cancer through education and skin protection.
- Dedicated to the creation of luxurious, eco-friendly products that are safer to use and safer for the environment.

Our Scientific Advisory Council of 12 doctors governs our formulations, ensuring high quality, innovative products that provide efficacious broad spectrum protection. Our products help prevent skin cancer and help repair the visible signs of sun-induced aging.

MINERAL SUNSCREEN

**BROAD SPECTRUM
SPF 40
UVA-UVB SUNSCREEN**

Gentle enough for sensitive skin

Safe for children
6 months and older

**Kid-Friendly,
Doctor-Approved!**

This lightweight formula is silky smooth, gentle, and packed with powerful chemical-free active ingredients to protect and shield little ones' delicate skin from the sun's harmful rays. Developed by dermatologists, this mineral broad spectrum formula blends onto skin quickly and dries down with a powdery finish that's never greasy or sticky. SPF 40 Mineral KidCrème is mild enough for even the most sensitive skin types, but strong enough to be water resistant for 80 minutes – so go ahead, make a splash!

- ✓ Not tested on animals
- ✓ ECOCERT Zinc Oxide
- ✓ For all skin types including acne/ rosacea prone and sensitive
