**Uses**

Temporarily relieves the symptoms of the common cold and flu including body aches and headaches, cough and congestion, fever, chills, and sore throat.

**Warnings**

**As with any drug, ask a doctor before use if pregnant or nursing.**

**Consult a physician if:**

- Symptoms persist for more than 7 days or worsen
- Inflammation, fever or infection develops
- Symptoms are accompanied by high fever (101°F)
- Cough tends to recur or is accompanied by high fever, rash or persistent headache

**Keep this and all medications out of the reach of children.**

In case of accidental overdose, contact a medical professional or a Poison Control Center immediately.

**Do not use this product for** persistent or chronic cough such as asthma, smoking or emphysema or if cough is accompanied by excessive mucus, unless directed by a licensed health care professional.

**A persistent cough may be a sign of a serious condition.**

**Sore throat warning**

Severe or persistent sore throat or sore throat accompanied by high fever, headache, nausea, and vomiting may be serious. Consult a doctor promptly.

**Do not use if imprinted tamper band is broken or missing.**

**There have been no reports** of interactions between this product and ibuprofen or acetaminophen.

**In case of emergency,** contact a medical professional or Poison Control Center immediately. Hyland's may also be contacted for emergency information about our products 24 hours a day, 7 days per week at

(800) 624-9659.
