Description

A luminating foundation which has been formulated with a polymer to help appear to visibly lift and give firmer feeling skin. Our Pro-retinol complex containing Lipopeptides boosts and maintains elasticity. It also contains a brightening complex to give skin a long term boost for even skin tone. Powerful antioxidants, Vitamin C and E, and SPF 15 help protect against the ageing effects of free radicals. Minimises the appearance of age spots, pores and pigmentation.

For Best Results: Blend smoothly and evenly with your fingers or a sponge, working downwards and outwards from the centre of your face.

Hypoallergenic: Because all skin can have sensitive moments all our foundation products are hypo-allergenic so they are kind to even the most sensitive skin.
