How does 'pink' improve your skin?

Phytosilica
 Botanical Ingredient-based Silica penetrates deep into the skin to effectively deliver active ingredients.

- Tretinoe → Blotch Care
- Centella → Repairing Care
- Niacinamide → Brightening Care

Press!
 Firmly massage the cream into the skin as if directly sensing its permeation.

Directions
 Following facial cleansing, dispense a small amount onto a clean finger and apply on the desired areas, evenly massaging contents into the skin to aid absorption.

- Do not use a cotton swab or other tool for absorption. Only use your hand.
- Regularly apply to the skin for effective care.
- The stinging sensation is only momentary, however, the duration of the stinging may vary per individual.
- Due to the nature of ingredients, the product's color may fade over time, however, as the contents have not altered in composition, the product remains safe for use.

Caution
 For external use only. Discontinue use if irritation or rash occurs. If irritation or rash persists, consult a doctor. Avoid contact with eyes. Keep out of reach of children. Store in a cool dry place and away from direct sunlight. Do not use on damaged or irritated skin.
