

**CVS HEALTH LIDOCAINE PAIN RELIEF- lidocaine patch**  
**Natural Essentials, Inc.**

-----

**Drug Facts**

**Active ingredient**

Lidocaine 4%

**Purpose**

Topical Analgesic

**Use**

For the temporary relief of pain.

**Warnings**

**For external use only**

**Do not use**

- more than 1 patch on your body at a time or on cut, irritated or swollen skin
- on puncture wounds
- for more than one week without consulting a doctor

**When using this product**

- use only as directed. Read and follow all directions and warnings on this carton.
- Do not use more than one patch in an 8 hour period. Maximum 3 patches per day.
- Rare cases of serious burns have been reported with products of this type
- Do not apply to wounds or damaged, broken or irritated skin
- Do not allow contact with the eyes and mucous membranes
- Do not bandage tightly or apply local heat (such as heating pads) to the area of use
- Do not use at the same time as other topical analgesics
- Dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug products that can produce serious adverse effects if a child or pet chews or ingests this patch
- **NOTE:** patches may not adhere as well to all individuals, skin types, or certain parts of the body.

**Stop use and ask a doctor if**

- condition worsens
- redness is present
- irritation develops
- symptoms persist for more than 7 days or clear up and occur again within a few

days

- you experience signs of skin injury, such as pain, swelling, or blistering where the product was applied

**If pregnant or breast feeding** ask a physician before use.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

### **Directions**

- **Adults/children 12 years and older**
- clean and dry affected area
- remove backing from patch by firmly grasping both ends and gently pulling until backing separates in middle
- carefully remove smaller portion of backing from patch and apply exposed portion of patch to affected area
- once exposed portion of patch is positioned, carefully remove remaining backing completely to apply patch to affected area
- once applied, press firmly and rub on all sides and center of patch to help adhesive adhere to skin
- do not remove patch and reapply, this will result in the patch not sticking
- avoid strenuous exercise while wearing patch, this will result in patch not sticking
- do not use more than one patch in an 8 hour period.

**Children 12 years or younger:** ask a doctor.

### **Other information**

Store at room temperature - do not exceed 86° Fahrenheit, 30° Celsius.

### **Inactive ingredients**

Aluminum Glycinate, Glycerin, Kaolin, Methylparaben, Polyacrylic Acid, Polysorbate 80, Propylene Glycol, Propylparaben, Povidone, Sodium Polyacrylate, Tartaric Acid, Titanium Dioxide, Water.
