

RID LICE KILLING- piperonyl butoxide and pyrethrum extract shampoo
Oystershell Consumer Health Inc

RID Lice Killing Shampoo

ACTIVE INGREDIENTS:

Piperonyl butoxide 4%
Pyrethrum extract (equivalent to 0.33% pyrethrins)

TREATS

Head, pubic (crab), and body lice.

INACTIVE INGREDIENTS:

ammonium laureth sulfate, dehydrated alcohol, fragrance, isopropyl alcohol, PEG-25 hydrogenated castor oil, polyquaternium-10, purified water

DIRECTIONS:

- **Important: Read carton for complete warnings and directions before using.**
- **Adults and children 2 years and older**
- Apply thoroughly to **DRY HAIR** or other affected area. For head lice, first apply behind ears and to back of neck.
- Allow product to remain on hair for 10 minutes, but no longer.
- Use warm water to form a lather, shampoo, then rinse thoroughly. For head lice, towel dry hair and comb out tangles.
- A fine-tooth comb or a special lice/nit removing comb must be used to help remove lice, eggs, and nits from hair.
- **A second treatment must be done in 7-10 days to kill any newly hatched lice.**
- **Children under 2 years: ask a doctor**

WARNINGS:

For external use only

- Do not use near the eyes, inside nose, mouth, vagina, or on lice in eyebrows or eyelashes. See a doctor if lice are present in these areas.
- Ask a doctor before use if you are allergic to ragweed. May cause breathing difficulty or an asthmatic attack.
- When using this product keep eyes tightly closed and protect eyes with a washcloth

or towel. Do not open eyes until product is rinsed out of hair. If product gets in eyes, flush with water right away.

- Stop use and consult a doctor if breathing difficulty occurs, eye irritation occurs, skin or scalp irritation continues or infection occurs.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

OTHER INFORMATION:

Avoid excessive heat.

See **Consumer Information** Insert for additional information.
