Tyra Tech, Inc.

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Vamousse® Pro Lice Treatment

Drug Facts

Active Ingredients

Natrum muriaticum 2X (HPUS)

Purpose

Homeopathic pediculicide

Uses

Treats head lice

Warnings

For external use only

Do not use

- near eyes
- inside nose
- mouth
- vagina
- eyebrows or eyelashes.

See a doctor if lice are present in these areas.

When using this product:

- Keep eyes tightly closed and protect eyes with a washcloth or towel.
- If product gets in eyes, flush with water right away.
- Scalp itching or redness may occur.

Stop use and ask a doctor if eye irritation occurs, skin or scalp irritation continues or infection occurs. **If pregnant or breastfeeding**, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Adults and children 2 years and older.

- Separate hair into sections, working with 1 inch sections at a time following your normal combing procedure.
- Thoroughly saturate all hair and scalp as you work, massaging product into the hair generously. **To be effective, all lice and nits must come in contact with the product. Note: dilution may reduce**

efficacy.

- Use approximately 2 fl oz (2 – 3 pumps) of lotion for an average head of hair.
- If product needs to be thinned for particular hair type, use a spray bottle to lightly spritz the hair with water, allowing lotion to spread more easily.
- Using a lice/nit comb, comb hair from as close to the scalp as possible to the end of the hair.
- If hair dries during combing, apply more product or use a spray bottle to lightly spritz the hair with water, rehydrating the lotion.
- After combing, thoroughly recheck for lice/nits. Repeat combing if necessary.

Product may be used as often as needed. Children under 2 years old: ask a doctor.

Other Information

Store between 59-86°F (15 -30°C).

Inactive Ingredients

Benzyl alcohol, Butyl lactate, Cetearyl alcohol, Cetrimonium chloride, DMDM Hydantoin, Fragrance, Isopropyl alcohol, Isopropyl myristate, Magnesium chloride, Magnesium nitrate, Methylchloroisothiazolinone, Methylisothiazolinone, Peppermint oil, Triethyl citrate, Water
