Arthritis Pain Reliever

Drug Facts

Active Ingredient

Capsaicin 0.025%

Purpose

Topical analgesic

Uses

temporarily relieves minor pain of muscles and joints associated with:

- arthritis
- simple backache
- strains
- sprains
- bruises

Warnings

- For external use only.

When using this product

- use only as directed
- do not bandage
- do not use with a heating pad
- avoid contact with eyes and mucous membranes
- do not apply to wounds or damaged, broken or irritated skin
- a transient burning sensation occurs upon application but generally disappears in several days
- if severe burning sensation occurs, discontinue use
- do not expose the area treated with product to heat or direct sunlight
- do not use if you are allergic to capsaicin or chili peppers

Stop use and ask a doctor if

- condition worsens
- redness if present
- irritation develops
- symptoms persist for more than 7 days or clear up and occur again within a few days

If pregnant or breast-feeding, ask a health care professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

adults and children over 18 years:

- apply to affected area
- massage into painful area until thoroughly absorbed
- repeat if necessary, but no more than 3 to 4 times daily
- WASH HANDS WITH SOAP AND WATER AFTER APPLYING
- Children 18 years and younger: ask a doctor

Other information

- store at 20-25°C (68-77°F)

Inactive ingredients

Abies balsamea, carbomer, cedarwood bark oil, diazolidinyl urea, ethanol, methylparaben, propylene glycol, propylparaben, triethanolamine, water
