-----

**Drug Facts**

**Active ingredient (in each tablet)**

Caffeine 200 mg

**Purpose**

Alertness aid

**Use**

- helps restore mental alertness or wakefulness when experiencing fatigue or drowsiness

**Warnings**

- the recommended dose of this product contains about as much caffeine as one cup of coffee. Limit the use of caffeine-containing medications, foods, or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat.
- For occasional use only. Not intended for use as a substitute for sleep
- **do not give to children under 12 years of age**

**Stop use and ask a doctor if**

fatigue or drowsiness persists or continues to recur

**If pregnant or breast-feeding,**

ask a health care professional before use.

**Keep out of reach of children.**

In case of overdose, get medical help or contact a Poison Control Center right away.

**Directions**

- **adults and children 12 years of age and over:** take 1 tablet (200 mg) not more often than every 3 to 4 hours

**Other information**

- **each tablet contains:** calcium 60 mg
- store at controlled room temperature 15-30°C (59-86°F)
