Melatonin Oral Spray

For Busy People

For people with insomnia

For people with sleeplessness due to stress

Sleep faster, sleep better. 4 times stronger and 3 times faster than other sleep products.*

Developed in Italy, Somease is the natural solution for difficult sleeping. Somease is a sublingual food spray containing melatonin that reduces the time it takes to fall asleep and helps you wake up without morning sleepiness and discomfort. Somease's patented nano emulsion allows for rapid absorption (5 minutes) by the body.

*compared to sleep products in capsule form containing melatonin.
