Clearskin Blemish Clearing Foaming Cleanser

Active ingredient

Salicylic Acid 2.0%.....

Purpose

.....Acne Treatment

Uses

- for the treatment of acne
- clears up acne blemishes
- helps prevent new acne blemishes from forming

Warnings

For external use only

When using this product

- avoid contact with eyes. If product contacts eyes, rinse thoroughly with water. If irritation persists, seek medical attention
- using other topical acne products at the same time or immediately after this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor

Stop use and ask a doctor if

- rash or irritation develops and persists

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- wet hands and face with warm water
- squeeze an appropriate amount of product onto wet hands
- lather onto skin with a gentle, circular motion, and leave on for 30 seconds
- rinse with warm water and gently pat dry. May be used once a day.
- if bothersome dryness, irritation or peeling occurs, reduce application to every other day
