LAXATIVE SUPPOSITORIES, 70795-1010

Active Ingredient (in each suppository)

Bisacodyl, 10 mg

Purpose

Stimulant Laxative

Uses

- For relief of occasional constipation
- This product generally produces bowel movement in 15 minutes to 1 hour

Warnings

For rectal use only. May cause abdominal discomfort, faintness, rectal burning, and mild cramps.

Do not use

- more than once per day
- for a period longer than one week unless directed by a doctor
- laxative products when abdominal pain, nausea, or vomiting are present unless directed by a doctor
- if sealed film around the suppository is torn, damaged, or open.

Ask a doctor

- before use if you have noticed a sudden change in bowel habits that persist over a period of two weeks
- if you are pregnant or nursing a baby

Stop use and ask a doctor

if you have rectal bleeding or fail to have a bowel movement after using a laxative. This may indicate a serious condition.

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Adults and children 12 years of age and older	Children 6 to under 12 years	Children under 6
One suppository once daily	½ suppository once daily	Ask a doctor.

- Detach one suppository from the strip and remove from foil
- Carefully insert one suppository well into the rectum
- Do not use more than once per day

Other information

store below 30° C (86° F)
