

**MUCUS RELIEF COUGH AND CONGESTION CHILDRENS- dextromethorphan hbr,
guaifenesin liquid
KinderFarms, LLC**

Drug Facts

Active ingredients (in each 5 mL)

Dextromethorphan HBr USP, 5 mg

Guaifenesin USP, 100 mg

Purposes

Cough suppressant

Expectorant

Uses

- helps loosen phlegm (mucus) and thin bronchial secretions to rid the bronchial passageways of bothersome mucus and make coughs more productive
- temporarily relieves:
 - cough due to minor throat and bronchial irritation as may occur with the common cold or inhaled irritants
 - the intensity of coughing
 - the impulse to cough to help your child get to sleep

Warnings

Do not use

in a child who is taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your child's prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

Ask a doctor before use if the child has

- cough that occurs with too much phlegm (mucus)
- persistent or chronic cough such as occurs with asthma

Stop use and ask a doctor if

cough lasts more than 7 days, comes back, or occurs with fever, rash, or headache that lasts. These could be signs of a serious condition.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center (1-800-222-

1222) right away.

Directions

- do not take more than 6 doses in any 24-hour period
- measure only with dosing cup provided. Do not use any other dosing device.
- keep dosing cup with product
- mL = milliliter
- shake well before using

age	dose
children 6 to under 12 years	5-10 mL every 4 hours
children 4 to under 6 years	2.5-5 mL every 4 hours
children under 4 years	do not use

Other information

- store between 20-25°C (68-77°F).
- do not refrigerate.

Inactive ingredients

Organic agave syrup, non-GMO citric acid, glycerin, organic natural flavor, purified water
