

RESTORAL- menthol ointment
Saje Natural Business Inc.

Restoral

Active Ingredient

Menthol 0.2%

Purpose

Topical analgesic

Uses

For the temporary relief of pain and itching associated with minor burns, sunburn, minor cuts, scrapes, insect bites, or minor skin irritations

Warnings

For external use only

Flammable - keep away from fire or flame

Use may result in increased topical anti-inflammatory effects of steroids, due to presence of marshmallow herb

When using this product

Avoid contact with eyes and mucous membranes; if this happens, rinse with vegetable oil

Stop use and ask a doctor

if condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days

Do not use

On wounds or damaged skin

If allergic to marshmallow root or chickweed

if pregnant or breast-feeding

ask a health professional before use

keep out of reach of children

if product is swallowed, get medical help or contact a Poison Control Centre right away

Directions

Adults and children 12 years of age and older: Apply to affected area not more than 3 to 4 times daily.

Not recommended for children under 12 years of age.
