Walgreens Acne Foaming Cream Cleanser
Acne Treatment

Drug Facts

Active ingredient

Benzoyl Peroxide 4%

Purpose

Acne Treatment

Use

for the treatment of acne.

Warnings

For external use only.

Do not use if you

- ◆ have very sensitive
- ◆ are sensitive to benzoyl peroxide

When using this product

- ◆ skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time
- ◆ avoid unnecessary sun exposure and use a sunscreen
- ◆ avoid contact with the eyes, lips and mouth
- ◆ avoid contact with hair and dyed fabrics, which may be bleached by this product
- ◆ skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if irritation becomes severe

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) immediately.

Directions

- ◆ apply a dime-size amount to damp skin and gently massage, avoiding the eye area
- ◆ use wash on entire affected area
- ◆ begin with one application daily then gradually increase to two times daily if needed or as directed by a doctor
- ◆ if severe dryness or peeling occurs, reduce application to once a day or every other day
- ◆ if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

Store at room temperature
