Drug Facts**

Active Ingredient

Sulfur 3%

Purpose

Acne treatment lotion

Uses

- For the treatment of acne
- Helps clear up, dry, and reduce the severity of acne blemishes, acne pimples, blackheads, or whiteheads and allows skin to heal
- Penetrates pores to help prevent the development of new acne blemishes, acne pimples, blackheads, or whiteheads

Warnings

For external use only.

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Apply only to areas with acne.

Do not use on

- Broken skin
- Large areas of the skin

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Other Information

- Store in a cool, dry place. Keep cap closed when not in use.

Directions

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
