

FLEX24 PERFORMANCE- camphor, menthol patch

Larasan Pharmaceutical Corporation

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active Ingredients

Camphor, 3%

Menthol, 2.52%

Purpose

Topical analgesic

Uses

For temporary relief of minor aches and pains of muscle and joints associated with simple arthritis, strains, bruises and sprains

Warnings

For external use only

Do not

apply to open wounds, or damaged, broken, or irritated skin

Stop use and ask a doctor

if condition worsens or if there is redness or irritation in the applied area or if symptoms persist for more than 7 days or clear up and occur again within a few days

Caution

- Discontinue use if excessive irritation of the skin develops
- Avoid contact with the eyes and mucous membranes
- Arthritis: If pain persists for more than 10 days, or redness is present, or in conditions affecting children under 12 years of age consult a physician immediately

Pregnancy or breast feeding

ask healthcare professional about use

Keep out of reach of children

If swallowed, get medical help or contact the Poison Control Center right away

Directions

Adults and children over the age of 12:

- Remove plastic backing from patch and discard
- Apply one patch to affected area

- Patch should be comfortable but not tight
- Repeat if necessary but no more than 3 per day

Children under 12, consult a doctor before use.
