

VIIVA BIODERMA ACTIVES HGH CREAM- sus scrofa adrenal gland, thyroid, bovine, somatropin cream
Viiva LLC

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Active ingredients

SOMATROPIN 12X, Glandula suprarenalis suis 6X, Thyroidinum 8X

Purpose

May improve sleep, bone and joint health, immune health and assist with increase of muscle and a reduction in fat*

Directions

- Apply 2 full pumps in the morning and 2 full pumps in the evening.
- For intensive use, apply 2 full pumps three times a day.
- Cream should always be applied to thin areas of the skin where veins are visible.
- You may apply the cream to your face, wrists, underarms, forearms or behind the knees. Application sites should be rotated.
- **If pregnant or breastfeeding, ask a health care professional before use.**
- **FOR EXTERNAL USE ONLY**

Uses

As we age, your body's production of growth hormone begins to decrease by the age of 25. This may cause a decrease of energy and lean body mass and a diminished ability to get a restful sleep. Most people accept this as the natural aging process. BioDerma Actives has been formulated with Somatropin that has been proven safe and effective for living younger. *

*These statements have not been evaluated by the FDA.

Warnings

In case of overdose or swallowed, get medical help or contact a Poison Control Center right away (1-800-222-1222)

Keep out of reach of children
