

MARK. BACK UP PLAN ANTI-ACNE BACK TREATMENT - salicylic acid spray
Avon Products, Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active/Medicinal ingredient	Purpose
Salicylic Acid 2.0%.....	Acne Treatment

Uses

- helps in the treatment of acne
- helps clear up acne blemishes
- helps prevent new acne blemishes from forming
- penetrates pores to eliminate most blackheads and acne pimples

Warnings

For external use only

When using this product

- avoid contact with eyes. If product contacts eyes, rinse thoroughly with water.
- if excessive skin irritation develops or increases, discontinue use. If irritation persists, consult a health care practitioner.
- using other topical acne products at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one product should be used unless directed by a health care practitioner

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Flammable. Keep away from heat or flame.

Directions

- cleanse skin thoroughly with non-medicated cleanser before applying medication
- apply to blemish-prone areas one to three times daily or as directed by a health care practitioner
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a health care practitioner
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive/Non-medicinal ingredients :
 Water/Eau, SD Alcohol 40-B, Hamamelis
 Virginiana (Witch Hazel) Extract, Pyrus Malus
 (Apple) Fruit Extract, Cinnamomum Cassia
 Bark Extract, Trideceth-9, Potassium
 Hydroxide, Citric Acid, Disodium EDTA,
 Pyridoxine HCL.

Avertissements
Pour usage externe seulement

Au moment d'utiliser ce produit

- Éviter tout contact avec les yeux. En cas de contact avec les yeux, rincer soigneusement à l'eau.
- Cesser l'emploi si une irritation cutanée persistante se développe ou s'aggrave. Si l'irritation persiste, consulter un professionnel de la santé.
- L'application d'autres produits topiques contre l'acné (crème ou iminidation) est après l'utilisation de ce produit peut aggraver le dessèchement ou l'irritation de la peau. Si cela se produit, utiliser un seul produit à la fois. Si cela se produit, utiliser un seul produit à la fois.

Garder hors de la portée des enfants.
 Si avalé, obtenir immédiatement de l'aide médicale ou contacter un centre antidote. Inflammable. Tenir loin de la chaleur ou du feu.

Mode d'emploi

- Nettoyer la peau soigneusement avec un nettoyant non-médicamenteux avant d'utiliser ce médicament.
- Appliquer sur les zones affectées aux trois fois, une fois par jour, ou tel que recommandé par un professionnel de la santé.
- Puisque la peau peut devenir extrêmement sèche, commencer par une application par jour, augmenter ensuite graduellement à deux ou trois applications par jour ou selon ce qui est recommandé par un professionnel de la santé.
- Si la peau devient trop sèche ou pèle, réduire à une application par jour ou tout les deux jours.
