

**PLAK SMACKER- stannous fluoride gel**  
**Dental Technologies, Inc.**

*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

**Drug Facts**

**Active Ingredient**

Stannous Fluoride 0.4%

**Purpose**

Anticavity

**Uses**

Helps aid in the prevention of dental cavities.

**Warnings:**

**This is an anticavity fluoride preventative treatment gel, not a toothpaste.**

Read directions carefully before using.

When using this product it may produce surface staining of the teeth. Adequate tooth brushing may prevent these stains which are not harmful or permanent and may be removed by your dentist.

**Keep out of reach of children.**

If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

**Directions:**

- Adults and children 6 years of age and older: Use once a day after brushing your teeth with a toothpaste. Apply the gel to your teeth and brush thoroughly. Allow the gel to remain on your teeth for 1 minute and then spit out. Do not swallow the gel. Do not eat or drink for 30 minutes after brushing.
- Instruct children under 12 years of age in the use of this product (to minimize swallowing). Supervise children as necessary until capable of using without supervision.
- Children under 6 years of age: Consult a dentist or doctor.

**Other Information**

Do not use if the foil seal under the cap is torn, cut or missing.

**Inactive Ingredients:**

Ascorbic Acid, Carbomer, Citric Acid, Flavor, Glycerin, Triethanolamine
