- helps clear congested skin
- helps reduce blemishes
- contains salicylic acid that helps to smooth skin
- helps to brighten complexion
- helps to even skin tone

### Drug Facts (continued)

Stop use and ask a doctor if excessive skin irritation develops or increases. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away. If pregnant or breast feeding, ask a health professional before use.

**Directions** ■ Cleanse the skin thoroughly before applying. ■ Cover the entire affected area 1 to 3 times daily. ■ Because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor. ■ If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

**Inactive Ingredients** water (aqua), ethylhexyl palmitate, cetyl alcohol, butylene glycol, allyl methacrylates crosspolymer, glyceryl stearate, ppg-12/stearyl copolymer, dimethicone, peg-100 stearate, cetearyl alcohol, tocopheryl acetate, lavandula angustifolia (lavender) oil, ceteareth-20, xanthan gum, polyacrylamide, c13-14 isoparaffin, laureth-7, triethanolamine, tetrasodium edta, propylene glycol, methylparaben, propylparaben, diazolidinyl urea.

### Drug Facts

#### Active ingredients

Salicylic Acid (2.0%)

#### Purpose

Acne Treatment Cream

**Indications** ■ helps prevent the development of new acne blemishes ■ penetrates pores to clear most acne blemishes

### Warnings

For external use only.

**When using this product**  
■ using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor. ▶
