

CLEARASIL ULTRA RAPID ACTION SEAL-TO-CLEAR- salicylic acid gel
RB Health (US) LLC

Clearasil[®] Ultra[®]
Rapid Action Seal-to-Clear[®] Gel

Drug Facts

Active Ingredient

Salicylic acid 2%

Purpose

Acne Medication

Use

for the treatment of acne

Warnings

For external use only

Flammable

keep away from open fire or flame

When using this product

- Avoid contact with the eyes, lips and mouth. If product gets into the eyes, rinse thoroughly with water
- With other topical acne medications, at the same time or immediately following use of this product, increased dryness or irritation of the skin may occur. If this occurs, only one acne medication should be used unless directed by your doctor
- Limit use to the face and neck
- Wash hands after use

Stop use and ask a doctor if skin or eye irritation develops.

Keep out of reach of children. In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

Directions

- Cleanse the skin thoroughly, as needed, before applying medication
- Cover the affected area with a thin layer one to three times a day and allow to dry
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

If bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other information

- Keep tightly closed
- Store in a cool, dry place
- Cap may pose choking hazard

Inactive ingredients

Water, Alcohol Denat., Sodium Gluconate, Propylene Glycol, Hydroxyethylcellulose, Isoceteth-20, Dimethylacrylamide/Acrylic Acid/Polystyrene Ethyl Methacrylate Copolymer, Sodium Hydroxide, Disodium EDTA, Phenoxyethanol, Sodium Benzoate, Oryza Sativa (Rice) Extract.

Clearasil®

ULTRA®

Rapid Action

Seal-to-Clear® Gel

Salicylic Acid 2% Acne Medication

4

HOURS

Seals your
pimple and
visibly reduces
its size and
redness in
4 hours

With Invisa Skin®

0.42 FL. OZ. (12 mL)

Clearasil Ultra® Skin science:
It's difficult to stop touching your pimples, but touching can make them worse, which is why your pimples should be protected as they clear.

How Clearasil® works with your skin:
Seal-to-Clear® with Invisa Skin® works in 2 ways:
1. It forms an invisible 'barrier' to help protect your pimple as it clears. 2. It holds a thin reservoir of acne-fighting ingredients on the pimple to help visibly reduce its size and redness in 4 hours.
Dermatologist Tested.
