skinperfect primer spf 30

Velvety-feeling formula smooths the appearance of fine lines, visibly brightens, and primes the skin for a flawless make-up application.

Natural iron oxides provide a neutral tint to even the appearance of skin tone while visibly boosting luminosity. A moisturizing blend of Argan Oil, Vitamin E and Bisabolol delivers antioxidant benefits. Apply over moisturizer or under foundation for UVA/UVB protection and a primer-like effect.

Cette formule soyeuse lisse l'apparence des ridules, illumine visiblement la peau et unifie le teint pour faciliter l'application du maquillage. Les oxydes de fer naturels possèdent une teinte neutre qui unifie l'apparence du teint tout en rehaussant visiblement la luminosité. Un complexe hydratant composé d'huile d'argan, de vitamine E et de bisabolol procure à la peau des bienfaits antioxydants. Appliquez le produit par-dessus l'hydratant ou sous le fond de teint pour profiter d'une protection UVA/UVB et d'un effet flouté – comme une base de teint.
