

KALI SULPHURICUM- kali sulphuricum tablet, chewable
HOMEOLAB USA INC

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

DRUGS FACTS

Active ingredients HPUS

Kali sulphuricum (Potassium sulfate) 12X

Purpose

.....Scaly skin, chapped skin, itching rash, yellow discharge

The letters 'HPUS' indicate that the component in this product is officially monographed in the Homoeopathic Pharmacopoeia of the United States.

Uses

This tissue salt helps relieve symptoms of scaly and chapped skin, itching rash and yellow discharge associated with eczema and psoriasis.*

*These claims have not been reviewed by the Food and Drug Administration. They are based on traditional homeopathic practice.

Warnings

Stop use and ask a doctor if symptoms persist for more than 7 days or worsen.

As with any drug, ask a doctor before use if pregnant or nursing.

Keep this and all medications out of the reach of children.

In case of emergency or accidental overdose, contact a medical professional or a Poison Control Center immediately.

Directions

Children from 2 to 5 years: Crush 2 tablets and dissolve in water 3 times daily, or as directed by a healthcare professional.

Adults and children over 5 years: Chew 2 tablets 3 times daily, or as directed by a healthcare professional.

- Do not use more than directed.
- Do not take with food.

Other information

Store at room temperature.

Do not use if cap seal is broken or missing.

Inactive ingredients

Lactose, magnesium stearate.
