Aplicare Povidone-Iodine Scrub

Povidone-iodine

Antiseptic

Antiseptic skin preparation

For external use only

Avoid pooling beneath the patient. Prolonged exposure to wet solution may cause skin irritation.

Avoid excessive heat. Store at room temperature.

Ask a doctor before use if injuries are

- deep wounds
- puncture wounds
- serious burns

Stop use and ask a doctor if

- redness, irritation, swelling or pain persists or increases
- infection occurs

Do not use

- if allergic to iodine
- in the eyes

Keep out of reach of children. In case of accidental ingestion, seek professional assistance or consult a poison control center immediately.

Directions

use sponges to prep desired area

Other information

- for single use only
- not made with natural rubber latex
- for hospital or professional use only

For questions or comments
