Neutrogena® Oil-Free Acne Wash Cream Cleanser

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne treatment

Use

For the treatment of acne.

Warnings

For external use only.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Wet face. Squeeze into hands. Apply to face and massage gently.
- Rinse thoroughly.
- If excess drying or peeling occurs, reduce application to every other day.

Break the Breakout Cycle.®

Neutrogena® Oil-Free Acne Wash Cream Cleanser gets deep into pores where breakouts start and helps prevent future breakouts. This effective, yet gentle cream cleanser deep cleans without over-irritating your skin. This medicated acne cleanser helps eliminate breakouts, keeps pores clog-free, and effectively removes excess oil. Special comforters soothe and condition skin to help prevent irritation. Skin is left clean, without any pore-clogging residue.

Sunburn Alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing and limit sun exposure while using this product and for a week afterwards.

Drug Facts

Active ingredient	Purpose
Salicylic Acid 2%	Acne treatment

Use For the treatment of acne.

Warnings

For external use only.

When using this product • skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. • avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
