### **Acne Shave Moisturizer 3.3 oz 73112 (2017)**

Active ingredient Purpose

Salicylic acid 0.5%.....Acne medication

Use

for the management of acne

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. Avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

- cleanse the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times if needed or as directed by a doctor
- if dryness or peeling occurs, reduce application to once a day or every other day
