Gil Super Blue Teat Dip

Drug Facts

Gil Super Blue Teat Dip

12% Active Emollient System

For External Use Only on Dairy Cows
WARNING! May Cause Eye Irritation. May Be Harmful If Swallowed.
Keep Out Of Reach Of Children

Use on each teat as an aid in a complete cow health care program to help reduce the spread of organisms that may cause mastitis. Not intended to cure or help the healing of chapped or irritated teats. In case of irritation or chapping, have cow examined by a veterinarian.

Active Ingredient
Dodecylbenzene Sulfonic Acid.....2.00%

Inactive Ingredients
Emollients, buffering agents, and FD&C color.....98.00%

 **Gilmer Industries, Inc.**
560 Stone Spring Road PO Box 1247
Harrisonburg, VA 22801 Harrisonburg, VA 22803
Phone 540/434-8877

Net Contents: One Gallon (3.78 l)
Lot: Expiration:

FIRST AID
EYES: Immediately flush eyes with plenty of water for at least 15 minutes occasionally lifting the upper and lower lids. Contact a physician immediately.
INGESTION: Do NOT induce vomiting. Drink large amounts of milk or water. Contact a physician immediately. Do not give anything by mouth to an unconscious person.

Precautions

- KEEP FROM FREEZING. If frozen, discard.
- Do NOT get in eyes or on clothing. Do NOT take internally.
- Do NOT allow to contaminate food. Wash thoroughly after handling.
- Keep container tightly closed when not in use.
- Store in a cool, dry, well-ventilated area out of direct sunlight.

Important
Do NOT mix with any other teat spray, dip, or product.

Use Directions
Always use fresh, undiluted product. If product becomes visibly dirty, discard contents and refill with fresh product. Do NOT reuse or return used product to original container.

PRE-DIP/SPRAY: Either spray teats with undiluted Gil Super Blue Teat Dip; or fill teat cup with undiluted product and dip each teat as far as possible into the teat cup. Wipe teat dry after spraying or dipping using a single-service towel to avoid contaminating milk.

POST-DIP: Immediately after milking, submerge entire teat in undiluted product. Allow to air dry—do NOT wipe. Do NOT let cows out in freezing weather until completely dry.

Use Directions

Always use fresh, undiluted product. If product becomes visibly dirty, discard contents and refill with fresh product. Do NOT reuse or return used product to original container.

- **PRE-DIP/SPRAY:** Just prior to milking, if udders are heavily soiled, wash entire udder thoroughly with **Gil Udder Wash**. Dry udder with a single-service towel to avoid milk contamination. Either spray teats with undiluted Gil Super Blue or fill teat cup with undiluted product. Dip each teat as far as possible into the teat cup. Wipe teat dry after dipping or spraying using a single-service towel to avoid contaminating milk.
- **POST-DIP:** Immediately after milking, submerge entire teat in undiluted product. Allow to air dry—do NOT wipe. Do NOT let cows out in freezing weather until completely dry.
