## Bag-n-Box Installation Instructions for Automatic Dispensers

1. Press your finger in to the perforated area on the bottom of this box and remove the entire key-hole shaped perforated area.
2. Locate the nozzle and pull it down through the bottom of the box.

3. Place the cartridge on the dispenser platform. Pull the nozzle down and with the thumb and forefinger, pull the round disk of the nozzle all the way to the bottom of the lower locator.

4. Before closing the cover, check to make sure the round disk of the nozzle is firmly in place at the bottom of the lower locator.
