Warnings

For oral use only, not for use in nasal pathways.

When using this product

- Avoid contact with eyes. In case of accidental contact with eyes, flush with water and immediately seek professional help.
- Stop use and ask doctor if
- Side effects occur. You may report side effects to FDA at 1-800-FDA-1088.

CVS Cold Remedy Oral Spray was formulated to shorten the duration of the common cold and may not be effective for flu or allergies.

Stop use and ask a doctor if symptoms persist or if accompanied by fever.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children.

Directions

- For best results, use at the first sign of a cold and continue to use for an additional 48 hours after symptoms subside.
- Adults and children 3 years of age and older:
 - Remove protective over-cap.

- Spray 4 - 5 times into mouth at the onset of symptoms.
- Spray on inside of cheeks, roof of mouth and gums. Retain for 15 seconds. Swallow.
- Repeat every three hours until symptoms are gone.
- To avoid minor stomach upset, do not take on an empty stomach.
- Do not eat or drink for 15 minutes after use. Do not eat or drink citrus fruits or juices for 30 minutes before or after use. Otherwise, drink plenty of fluids.
- Children under 3 years of age:
 - Consult a doctor before use.
