¹Claims based on traditional homeopathic practice, not accepted medical evidence. Not FDA evaluated.

The Nuby™ Gum-eez™ teether's unique textured design provides comfort to baby's delicate gums. It provides stimulus to the lips and tongue which promote the transition from nursing to chewing. Conforms to Toy Safety Standard ASTM F963. **WARNING: DO NOT** microwave or steam sterilize. Always use this product with adult supervision. Before each use, check teether. If damaged, discard and replace with a new teether.
CLEANING: Can be boiled. Wash before initial use and after each subsequent use. Dishwasher safe (top rack only) or wash with warm, soapy water. Rinse and dry thoroughly. Please retain these instructions for future reference.

*Approved by pediatric dentist, Dr. Grace Yum.

†Claims based on traditional homeopathic practice, not accepted medical evidence. Not FDA evaluated.

The Nūby™ Gum-eez™ teether's unique textured design provides comfort to baby's delicate gums. It provides stimulus to the lips and tongue which promote the transition from nursing to chewing. Conforms to Toy Safety Standard ASTM F963. **WARNING:** DO NOT microwave or steam sterilize. Always use this product with adult supervision. Before each use, check teether. If damaged, discard and replace with a new teether.
CLEANING: Can be boiled. Wash before initial use and after each subsequent use. Dishwasher safe (top rack only) or wash with warm, soapy water. Rinse and dry thoroughly. Please retain these instructions for future reference.

*Approved by pediatric dentist, Dr. Grace Yum.
