drug facts

Section from Carton Label Follows :

Active ingredient	Purpose
Benzoyl Peroxide, 10%.....	Acne Treatment

Uses

- Treats acne - dries up acne pimples - helps prevent new acne pimples

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse the skin thoroughly before applying medication
- cover the entire affected area with a thin layer 1 to 3 times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application too once a day or every other day

Other Information

- keep tightly closed. Avoid storing at extreme temperature - below 4 degrees C or above 37 degrees C (below 40 degrees F or above 100 degrees F)
- lot no. and exp. date, see product container or box
