CVS Health Acne Control Cleanser Acne Medication

Drug Facts

Active ingredient

Benzoyl peroxide 10%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

Do not use this medication if you have very sensitive skin or if you are sensitive to benzoyl peroxide.

When using this product keep away from eyes, lips and mouth

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with hair or dyed fabric, including carpet and clothing which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Mild irritation may be reduced by using the product less frequently or in a lower concentration. If irritation becomes severe, discontinue use; if irritation still continues, consult a doctor.
- using other topical acne medication at the same time or immediately following the use
 of this product may increase dryness or irritation of the skin. If this occurs, only one
 medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away. Avoid contact with the eyes. If contact occurs, flush thoroughly with water.

Directions

Wet face. Gently massage all over face for 20-30 seconds, avoiding eye area. Rinse thoroughly and pat dry. Recommended for use twice daily. **If going outside, use a sunscreen.**

Other information

store at room temperature (68 to 77°F).
