

CETAPHIL GENTLE CLEAR MATTIFYING ACNE MOISTURIZER- salicylic acid lotion

Galderma Laboratories, L.P.

Drug Facts

Active ingredient

Salicylic Acid 0.5%

Purpose

Acne Treatment

Use

- For the management of acne.

Warnings

For external use only.

When using this product • skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne treatment at a time. • avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.

Stop use and ask a doctor if ● irritation becomes severe.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

•Sensitivity Test for New User:

Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow directions stated below. • clean the skin thoroughly before applying this product. • cover the entire affected area with a thin layer one to three times daily • because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. • if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Cetaphil GENTLE CLEAR
Mattifying Acne Moisturizer
 0.5% Salicylic Acid Acne Treatment

This lightweight hydrator with Salicylic Acid helps reduce blackheads, whiteheads and acne blemishes and prevents new acne from forming while being gentle on sensitive skin. This unique formula also visibly reduces the appearance of pores and provides a matte finish for softer, smoother-looking skin. Immediately hydrates and helps alleviate dryness, while skin conditioners help soothe the appearance of redness due to acne, and a skin brightening complex reduces the appearance of post-acne marks.
