Drug Facts

Active ingredient

Salicylic Acid (0.5%)

Purpose

Acne Treatment

Indications

- For the treatment of acne

Warnings

For external use only

Ask a doctor or pharmacist before using if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

When using this product

- **avoid direct contact with eyes.** If contact occurs, flush thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control center right away.

Directions

- cleanse skin thoroughly before applying medication. cover the entire affected area with a thin layer 1-3 times daily
- because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2-3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients

water, alcohol denat., laureth-4, alcohol, polysorbate 20, arginine, andelic acid, glycolic acid, myristoyl tetrapeptide-13, niacinamide, tocopherol, citrus aurantium dulcis (orange) peel extract, cocoyl arginine amide, ethylhexylglycerin, pentylene glycol, tamarindus indica seed extract, lens esculenta (lentil) seed extract, sodium hydroxide, decylene glycol, limonene, phenoxyethanol.
