CVS Health

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient

Benzoyl Peroxide 2.5%

Purpose

Acne Treatment

Use

- For the management of acne

Warnings

For external use only

Do not use this medication if you

- Have very sensitive skin
- Are sensitive to benzoyl peroxide

When using this product

- Avoid unnecessary sun exposure and use a sunscreen after using this product.
- Avoid contact with lips, eyes, or mouth.
- If product gets into the eyes rinse thoroughly with water.
- Skin irritation may occur, characterized by redness, burning, itching, peeling, or possible swelling. Irritation may be reduced by using the product less frequently or in lower concentration.
- Avoid contact with hair and dyed fabrics, which may be bleached by this product.
- In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

Stop use and ask a doctor if irritation becomes severe.

Keep out of reach of children. Do not swallow. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean skin thoroughly before applying this product.
- Apply a thin layer to affected area one to two times per day.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients

Water, Glycerin, Methyl Methacrylate/Glycol Dimethacrylate Crosspolymer, Cetyl Alcohol, Sorbitol, Glyceryl Dilaurate, Stearyl Alcohol, Magnesium Aluminum Silicate, Sodium Citrate, Silica, Sodium Lauryl Sulfate, Citric Acid, Methylparaben, Xanthan Gum, Propylparaben.
