Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

PCA SKIN Intensive Clarity Treatment

Active Ingredient

Salicylic Acid (2.0%)

Purpose

Acne Treatment

Uses

For the treatment of acne. Helps keep skin clear of new acne pimples, blackheads and/or whiteheads.

Warnings

For external use only

When using this product

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once daily or every other day.

Inactive Ingredients

Water, Glycerin, PEG-12 Glyceryl Dimyristate, Cyclopentasiloxane, Isododecane,

Niacinamide, Butylene Glycol, Dimethicone, Ammonium Acryloyldimethyltaurate/VP Copolymer, Cetearyl Alcohol, Isoamyl Laurate, Glyceryl Stearate, PEG-100 Stearate, Sodium Polyacrylate, Polysilicone-11, Bakuchiol, Caprylic/Capric Triglyceride, Maltodextrin, Phenoxyethanol, Coco-Caprylate/Caprate, Hexyl Resorcinol, Ethylhexyl Stearate, Retinol, Ethyl Linoleate, Polysorbate 20, Hexylresorcinol, Dipotassium Glycrrhizinate, Caprylyl Glycol, Trideceth-6, Xanthan Gum, Chlorphenesin, Pentylene Glycol, Isoamyl Cocoate, Syringa Vulgaris (Lilac) Leaf Cell Culture Extract, Sodium Citrate, Disodium EDTA, Decyl Glucoside, Myristoyl Nonapeptide-3, Citric Acid

Drug Facts

Active ingredients	Purpose
Salicylic acid (2%)	Acne treatment

Indications and Uses
For the treatment of acne. Helps keep skin clear of new acne pimples, blackheads and/or whiteheads.

This product is indicated for use in the evening only. Daily broad spectrum sun protection is critical while using this product.

Warnings
For external use only

When using this product
Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product
- In the evening apply a pea-sized amount after cleansing
- Begin by limiting use to twice a week, gradually increasing application frequency to every other night, and then advancing to each evening or as tolerated
- Follow with the appropriate PCA SKIN® moisturizer. Mild irritation may initially be experienced and is not a sign of a negative complication. ▶

how it works:
0.5% retinol, paired with 2% salicylic acid and stabilized by the OmniSome™ delivery system, reduces breakouts for a clearer complexion.
