KEEP OUT OF REACH OF CHILDREN

KEEP OUT OF REACH OF CHILDREN

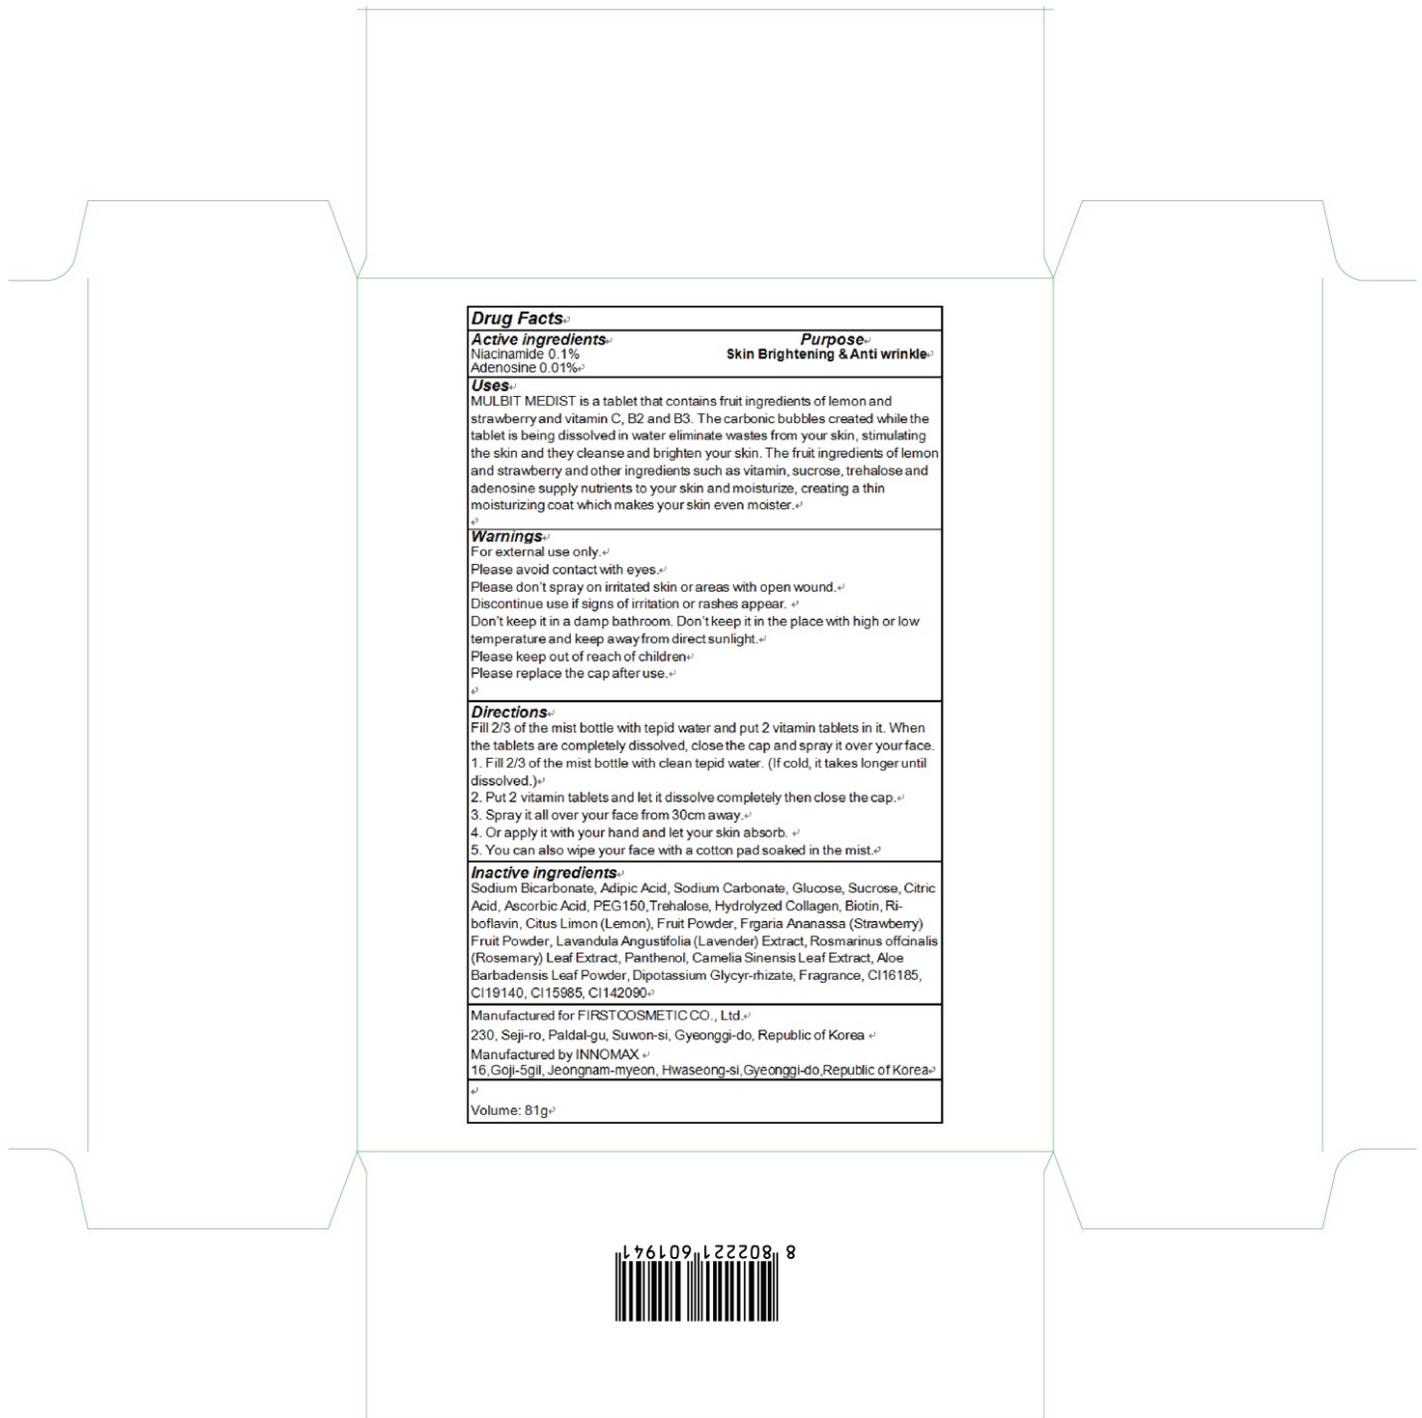

Uses

Uses: MULBIT MEDIST is a tablet that contains fruit ingredients of lemon and strawberry and vitamin C, B2 and B3. The carbonic bubbles created while the tablet is being dissolved in water eliminate wastes from your skin, stimulating the skin and they cleanse and brighten your skin. The fruit ingredients of lemon and strawberry and other ingredients such as vitamin, sucrose, trehalose and adenosine supply nutrients to your skin and moisturize, creating a thin moisturizing coat which makes your skin even moister.

Directions

Directions: Fill 2/3 of the mist bottle with tepid water and put 2 vitamin tablets in it. When the tablets are completely dissolved, close the cap and spray it over your face. 1. Fill 2/3 of the mist bottle with clean tepid water. (If cold, it takes longer until dissolved.) 2. Put 2 vitamin tablets and let it dissolve completely then close the cap. 3. Spray it all over your face from 30cm away. 4. Or apply it with your hand and let your skin absorb. 5. You can also wipe your face with a cotton pad soaked in the mist.
