Directions

For products applied to and left on the skin:

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day

- **Sensitivity Test for a New User**. Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.
