HORSEMAN'S DREAM FUNG-A-WAY TOPICAL FUNGICIDE SOLUTION

Drug Facts

Active Ingredients: Benzalkonium chloride 0.15%

Purpose: Skin wound cleaner

Purpose: skin wound cleaner

Uses:

For use on horses and dogs as an aid in the control of ringworm, summer itch, girth itch, and other fungal infections.

Warnings

For external veterinary use only.

Not for human use.

Not for use on animals intended for food

When using this product avoid eyes and mucous membranes. If contact occurs, flush immediately with water.

Stop use and consult your veterinarian if no improvement is noted within seven days.

Keep out of reach of children. In case of contact with eyes or mucous membranes, seek medical attention.

Directions

Soak affected area liberally with topical fungicide solution. Leave treated area uncovered.

Apply daily until hair begins to grow.

Rinse treated areas with clear water before reapplying.

Results should be apparent in a matter of days. Care should be taken to minimize the

animal's ingestion of topical fungicide solution through self-grooming.

Note: Efficiency is neutralized by soap or detergent residues.

Inactive Ingredients:

Allantoin, Benzathonium Chloride, Carbamide, FD&C Yellow #5, FD&C Red #40, Purified Water
