Hydrocortisone Cream

Drug Facts

Hydrocortisone Cream 1%

Active Ingredients (in each gram)

Hydrocortisone USP 10 mg

Purpose

Antipruritic (Anti Itch)

Indications:

For the temporary relief of itching associated with minor skin irritation and rashes due to eczema, insect bites, poison ivy, poison oak, poison sumac, soaps, detergents, cosmetics, jewelry, seborrheic dermatitis, psoriasis scrapes

For the temporary relief of external genital, feminine and anal itching

Other uses of this product should be only under the advice and supervision of a doctor

Warnings:

For external use only

- Avoid contact with eyes
- Do not exceed the recommended daily dosage unless directed by a doctor
- Do not use for treatment of diaper rash
- In case of bleeding, consult a doctor promptly

Consult a doctor:

- Before use if you have a vaginal discharge (for external feminine itching)
- For external itching, do not exceed the recommended daily dosage or if bleeding occurs
- If condition worsens or if symptoms persist for more than 7 days or clear up and occur again within a few days discontinue use of this product

When using this product:

- Do not put this product into rectum by using fingers or any mechanical device or applicator

Do Not Use:

- With any other Hydrocortisone product unless you have consulted a doctor

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away 1-800-222-1222

Directions:

- For adults and children 2 years of age and older: apply externally to affected area not more than 3 to 4 times daily.
- Children under 2 years of age: do not use, consult a doctor
- Adults for external anal itching when practical, cleanse the affected area with mild soap and warm water and rinse thoroughly, or by patting or blotting with appropriate cleansing pad. Gently dry by patting or blotting with toilet tissue or a soft cloth before application of this product.
- Children under 12 years or age; for external anal itching, consult a doctor.

Other Information:

- Store at controlled room temperature 59* to 86°F (15* to 30°C)
- Avoid excessive heat and humidity
- Tamper Evident. Do not use if packet is torn, cut or opened

Inactive Ingredients:

Benzoic acid, chlorphenesin, citric acid, glycerin, glyceryl monostearate, methylparaben, mineral oil, petrolatum, phenoxyethanol, polysorbate 80, purified water, titanium dioxide, trisodium citrate.
