CUREFINI 8oz/240ml (65121-712-65)

CUREFINI 4oz/120mL (65121-712-64)

PROPERTIES: CUREFINI is an ointment made with various well known vegetable and animal materials commonly found in the pharmacopoeia. When they are combined together in certain proportions, the resulting compound has strong skin protection properties. CUREFINI has been found to provide therapeutic benefits in the treatment for diverse lesions of the skin, and helps restore the skin to its normal, healthy condition. Made of natural substances, CUREFINI does not contain corticoids or antibiotics. CUREFINI is used in a clinical environment to treat burns and wounds, and is also used as a household first-aid product to treat cuts, burns and scrapes.
