-----

Acetaminophen, Caffeine Anhydrous, Ethehnamide

relief of: Headaches, Aches, Pain and Fever

Keep out of reach of children

- adult and children 15 years of age and older: 1 capsules three times a day
- children 11 to under 15 years of age: 1/2-2/3 capsules three times a day
- children 8 to under 11 years of age: 1/2 capsules three times a day
- children under 8 years of age: ask a doctor

**Keep out of the reach of children.** This package contains enough drug to seriously harm a child. Do not use with other drugs containing acetaminophen.

**Use the smallest effective dose.** Do not take more than the maximum daily dose. Overdose may result in severe or possibly fatal liver damage.

**Do not take if allergic to acetaminophen.** Consult a doctor if: your symptoms last for more than 5 days or fever lasts more than 3 days or you develop allergic reactions such as wheezing, rash or itching.

**Ask a doctor or pharmacist before use if you:** Are pregnant or breastfeeding, have chronic alcoholism; have a serious liver or kidney disease; use any other medications including natural health products, prescription drugs, salicylates or other pain and fever relief medications.

**In case of overdose,** call a Poison Control Centre or doctor immediately, even if you do not notice any possible signs or symptoms such as increased sweating, nausea, vomiting, stomach pain, and loss of appetite.

**WARNING:** Do not use if carton is open or if printed bottle neck band or inner foil seal is broken.

Store at room temperature, 15–30°C (59–86°F).

cellulose, corn starch, magnesium stearate, sodium starch glycolate

For oral use only
