LIQUID

This odorless and greaseless clear concentrated liquid is especially formulated to stop even intense itching and control dandruff flaking.

## Scalp Itch & Dandruff Relief Treatment Program.

- 1. Apply at the first sign of itching.** This product starts working instantly to penetrate the scalp, stop the itch, and control the flaking.
- 2. Cover the itching area completely.** Apply onto the scalp and massage gently to be sure all the affected area is covered. This odorless and greaseless product can be used with your regular grooming products.
- 3. Use right after shampooing, then anytime.** After shampooing, towel dry hair and scalp, then apply. For continuous relief from itching, apply 1 to 4 times a day. Controlling scalp itching, flaking, and irritation is so easy when this product is regularly used. Use it everyday. It takes just seconds to apply and dries on contact, so you can use it anywhere - at work, home or on the go.
