-----  
**CeraSoothe KET**

**Antiseptic Flush**

**Fragrance free**

Ketoconazole 0.1%

Formulated for cats and dogs

**Keep out of reach of children**

For animal use only

A gentle antifungal and antibacterial skin and ear cleansing solution. Ketoconazole fights yeast and fungi. Tromethamine (TRIS) helps break down bacteria cell walls. Ceramides and avenanthramides are skin nourishing nutrients that moisturize and calm the skin. They also support the skin's natural immune system and provide building blocks for renewed skin barrier integrity.

**Active ingredients:** Ketoconazole 0.1%.

**Inactive ingredients:** Water, SD Alcohol 40-B, nonoxynol-9, disodium EDTA, tromethamine, avena sativa (oat) kernal extract, glycerin, ceramide EOP, ceramide EOS, ceramide NP, potassium sorbate, methylisothiazolinone.

**Indications:** For use on cats and dogs for the antiseptic cleansing of skin and ears.

**Directions for use:** Apply twice a day or as directed by your veterinarian. Wash hands after use.

Ear cleaning: Moisten a cotton ball with solution and place in entrance of ear canal, or hold the ear flap upwards and fill the ear canal with solution. Then, gently massage the base of the ear for 60 seconds. Remove cotton ball (if used) and allow pet to shake its head. Gently wipe away debris and excess solution with a clean, dry cotton ball.

Skin cleaning: Moisten absorbent material with solution and gently wipe the area to clean and remove debris. Repeat as necessary until clean.

**Cautions:** For external use on dogs or cats only. Avoid contact with the eyes. If eye contact occurs, rinse thoroughly and consult your veterinarian. If skin irritation occurs or increases, discontinue use and consult with your veterinarian. Do not use in the case of a suspected ruptured eardrum.

**Storage:** Store at room temperature. Do not freeze.
